

Navigating Project Monitoring: practices, challenges, and new perspectives

20-21 May 2025

Helsinki | Finland

Agenda

Please note!

This is a draft agenda, which might change depending on the information received from the participants during the registration.

If certain agenda topic(s) require more time/cannot be fully addressed during the event, or you suggest topics of interest to multiple programmes and we are unable to include in the final agenda, we will plan a follow-up webinar after the event, either in Autumn 2025 or early 2026.

Day 1

Tuesday, 20 May

09.00 – 9.30

Registration and coffee break

9.30 – 10.00

Welcome and introduction

10.00 – 11.00

Insights: navigating the latest trends in project management

The objective of this session is to present the latest trends in project management and have a brief reflection about their relevance to Interreg.

11.00 – 11.30

Coffee break

11.30 – 13.00

Building success: smart monitoring in the project startup phase

The objective of the session is to jointly explore the keys to success in the startup phase. How are the programmes laying a strong foundation for high quality and sustainable project results since the first steps of project implementation.

13.00 – 14.00

Lunch break

14.00 – 16.30

Risk management in monitoring and approaches when the unexpected strikes. Strategies during project setbacks

Coffee break is included

The aim of the session is to explore together effective strategies and approaches on risk management in project monitoring and ways to act effectively during the setback of the project.

Navigating Project Monitoring: practices, challenges, and new perspectives

20-21 May 2025

Helsinki | Finland

Day two

Wednesday 21 May 2023

09.30 – 10.00

Reflection of day 1 and introduction to day 2

10.00 – 12.30

Project changes and reporting

This session provides a platform to exchange current practices on project reporting and project changes, identify what works well, and collaboratively explore potential improvements to make the change management process more effective.

12.30 – 13.30

Lunch break

13.30 – 15.30

Inspiration and knowledge

This session addresses one knowledge gap selected by the participants (during registrations).

15.30 – 16.00

Closure

16.00 – 17.00

Possibility to have ad hoc meetings between interested participants to exchange experiences in more details.
