## Programme evaluation - process

## ToR for programme evaluation

## Danube Region Programme evaluation

## Danube Region Programme evaluation

- Focuses on the immediate effect of the programme and not on the roll-out of project results
- Programme support to EUSDR implementation is evaluated separately

Evaluation questions – follow the programme theory of change and all its elements

### Impact evaluation

- 2 phases:
- 1<sup>st</sup> phase: 2027 final report
  - 2<sup>nd</sup> phase: 2028 update including all the projects

- Evaluators are requested to assess the programme theory of change and propose a methodology for programme evaluation

Availability of data 

Evaluation report structure is requested in the ToR 

Inception report is very important 

# Thank you
