

GEMEINSAM MEHR ERREICHEN.

SAMMEN NÅR VI MERE.

The partnership principle and its application in Interreg – taking stock

Interreg Deutschland-Danmark:
Implementing the partnership principle

April 2025

==

Implementing the partnership principle

- Focus on implementation phase of the programme
- Application of partnership principle through composition of the Monitoring Committee
- 36 members with equal voting rights
- Equal number of German and Danish members

Composition of the Monitoring Committee

Partners according to article 8 of the Common Provisions Regulation:

- ✓ regional, local, urban and other public authorities = programme partners
- ✓ economic and social partners
- ✓ relevant bodies representing civil society, such as environmental partners, non-governmental organisations, and bodies responsible for promoting social inclusion, fundamental rights, rights of persons with disabilities, gender equality and non-discrimination
- ✓ research organisations and universities

Programme partners

Composition of the Monitoring Committee

| National authorities | Ministerium für Landwirtschaft, ländliche Räume, Europa und Verbraucherschutz Schleswig-Holstein | Ministerium für Landwirtschaft, ländliche Räume, Europa und Verbraucherschutz Schleswig-Holstein | Erhvervsstyrelsen | Erhvervsstyrelsen |

Challenges

- Balancing the appropriate size of the committee with sufficient involvement of partners from all areas and equal representation from both countries
- Conflicts of interest must be carefully considered
- Equal influence of programme partners and other members is difficult to obtain
- Decision making according to consensus principle

Added value

- Longlasting partnership in MC helps to build trust and mutual understanding
- Different perspectives enrich the discussions about project selection
- Members are ambassadors for the programme and help to reach various target groups

Thank you for your attention
