# Interreg Knowledge Fair 2025

04-05 November

Belgrade, Serbia

Up to 3 people per programme

# Post 2027 will be the main focus [Shaping our future]

## Orientation plan

Main themes:

- **Optimising Programme Management:** Building on past practices, identifying opportunities and challenges in new regulations
- **Advocacy:** Stronger expression of Interreg's achievements.
- Interreg and the **new geo-political reality**. Closer to citizens, defense and security, enlargement and neighbourhood, competitiveness, working together.

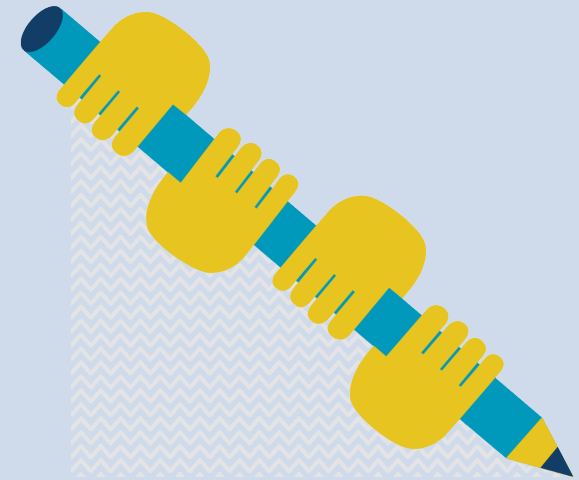

All subject to review, based on the regulations.

# What you should anticipate now

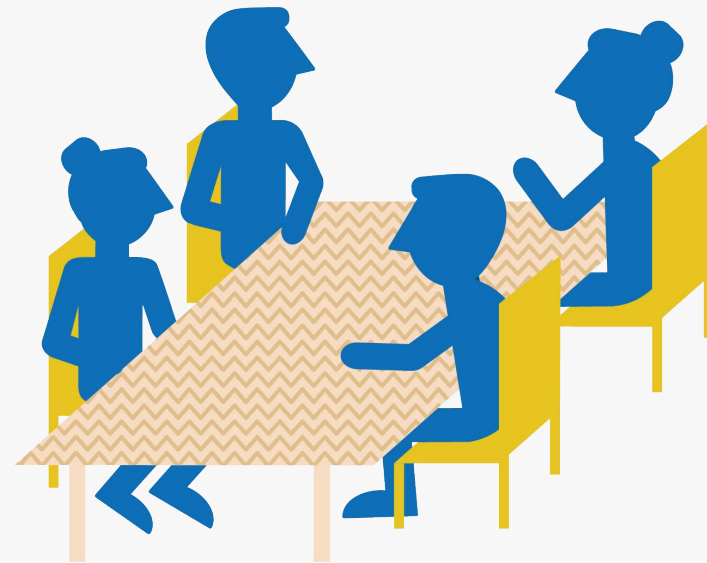

Plan is to mix current best practice and inspiration, alongside the future set-up.

Each programme can send **up to three people**. They should include people who bring knowledge of **how it is done now**, and be **able to get 'hands-on'** with the draft regulations and framework.

Two full days, 9.00 until 17.30, with parallel discussions and content.

# Floor is open for discussion

# Cooperation works
