

Cooperation actions

Introduction to Interact's consultancy service

Stoyan Kanatov | Interact | 06.06.2025

Interact

Co-funded by
the European Union
Interreg

Introduction

Legal context

- **CPR Regulation (EU) 2021/1060, art. 22(3), p. (d) (vi):** Each programme shall set out, for each specific objective, the interregional, cross-border and transnational actions with beneficiaries located in at least one other Member State or outside the Union. (Annex V, p. 2.1.1.1.1. Interventions of the Funds)
- **ETC Regulation (EU) 2021/1059, art. 3(3), p. (c) (ii):** Under Interreg, the ERDF and the external financing instruments of the Union, shall support the interregional cooperation to reinforce the effectiveness of cohesion policy by promoting exchange of experiences, innovative approaches and capacity building with a view to (the 'INTERACT programme') harmonising and simplifying the possible cooperation actions referred to in p. (d) (vi) of art. 22(3) of Regulation (EU) 2021/1060.

Support in designing your cooperation actions

Introduction and guidance in the sea of possibilities for cooperation actions and identification of possible approaches for your specific case.

Help in setting up the management system and other administrative/planning arrangements related to the form of cooperation actions call, choosing the right type and degree of cooperation, etc.

Providing examples and contacts with ongoing cooperation actions, facilitating the exchange with practitioners.

Assistance in partner search and pairing of cooperation actions partners.

Consultancy to build-up cooperation actions?

ESF+
Učinkoviti ljudski
potencijali

- The Interact team supported the ESF+ Managing authority of Croatia in setting up the provisions of their **first cooperation actions call**
- We helped them detail the eligibility of activities related to the topic of **VET Regional Competence Centres**. Together with them we reviewed the list of activities and consulted them on the practical implications of the possible activities and what they need in order to organize them efficiently
- We advised them in picking up the **most suitable SCOs**, serving their purpose to launch a call in Q3 2025 and ensure most efficient spending. The process included detailed review of all options and comparing that to the possibilities of their management and control system

Scope of activities

Exchange of Best Practices and Knowledge	Student and Teacher Mobility Programs	Professional Training and Teacher Development
Joint Curriculum Development for Lifelong learning	Development of Online Learning Platforms	Simulations and Virtual Classrooms
Organization of Fairs and Skills Competitions	Joint Research Projects	Green Projects and Sustainable Development

How could you help our team?

- **Advertise** our Interactive map tool.
- Give us your **honest feedback**.
- **Inform and invite us** to any Cooperation actions events.
