Società benefit

perpetua[®]
we had to invent it

Circular economy applies not only to materials but also to ideas:
the industrial and economic symbiosis of Alisea.

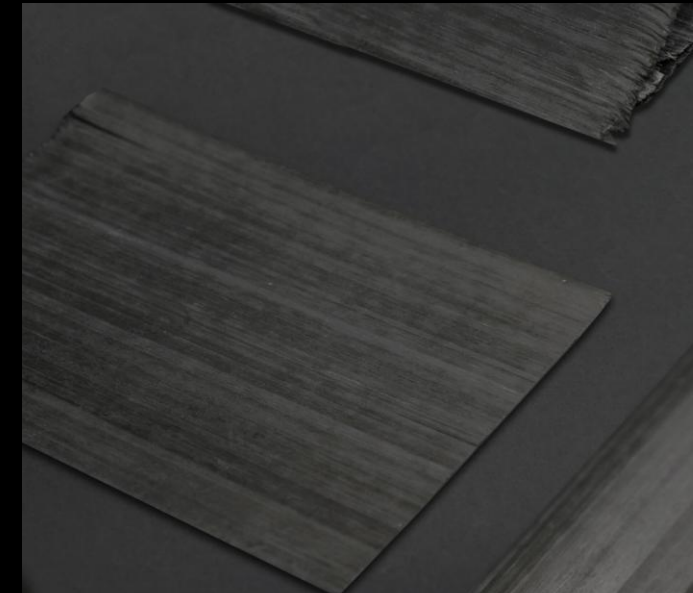

Some of **our**
transformations:

Waste from Nestlé bottles

Vinyl sleeve for Jovanotti Beach Party

Resin-coated carbon fiber fabric
by Leonardo

Roller Leonardo

End-of-life reflectors

"I was a car reflector" pen

Retired sunshades from Hotel
Excelsior - Venice

G-BAG

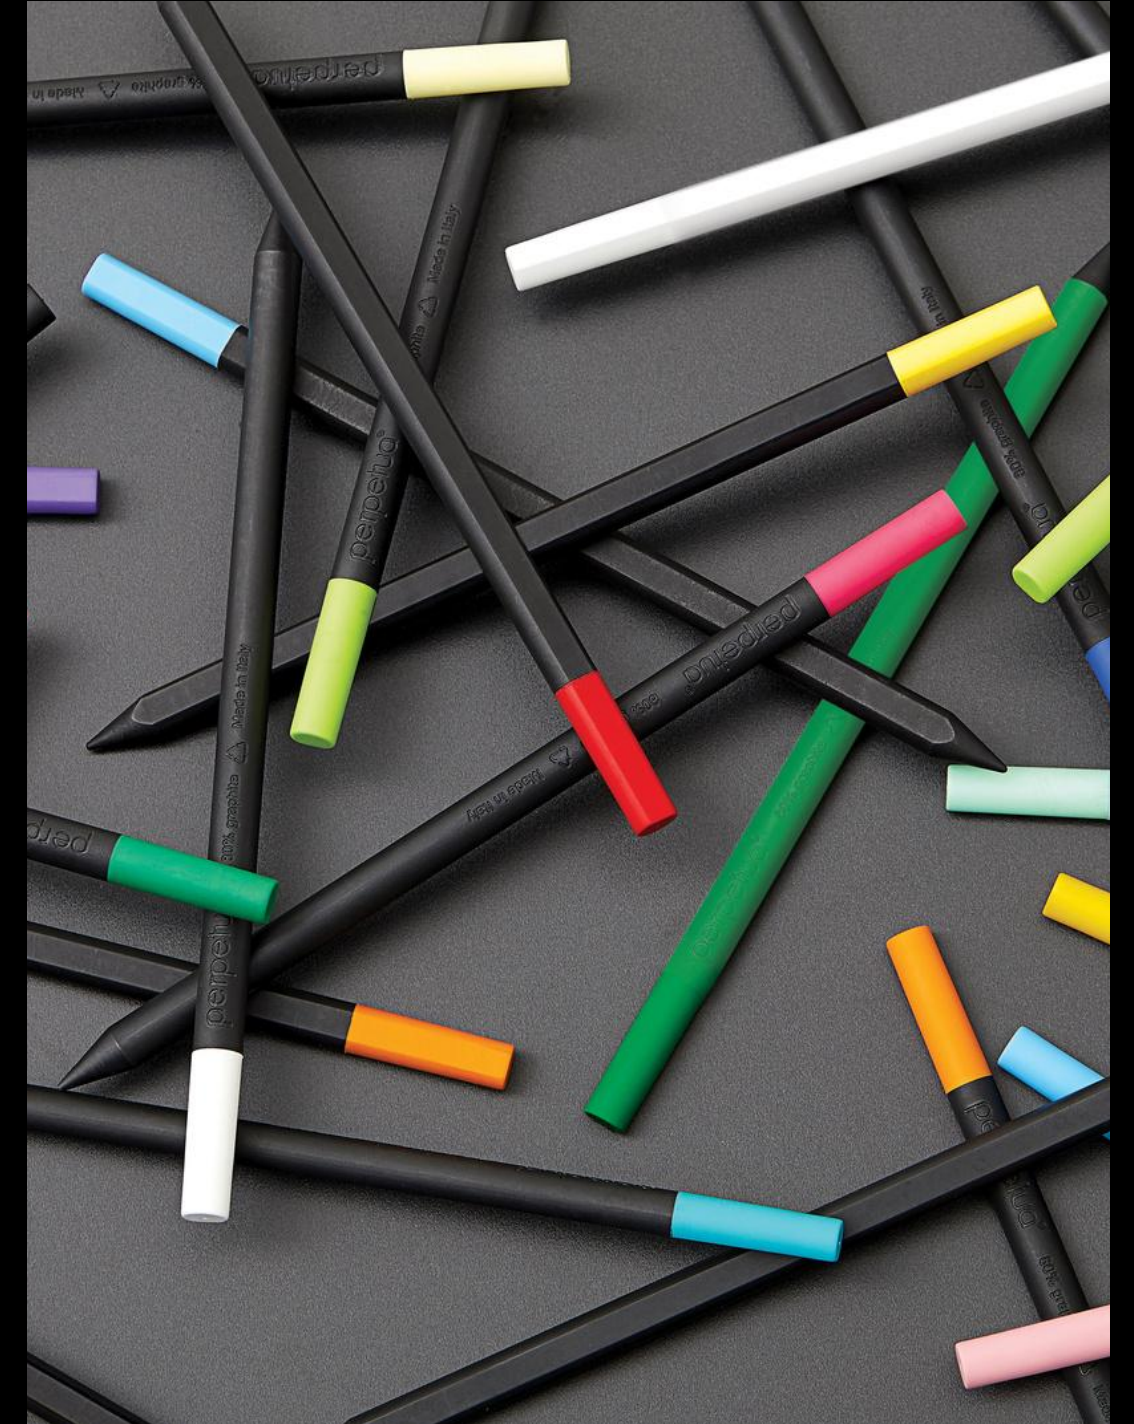

alisea
Recycled & Reused Objects Design

Alisea, **since 1994**, has been transforming **waste into innovative products**, inspiring positive behavior through design.
