

HIT Meeting Intervention Logic, Capitalisation & Synergies, Budget

27-28 October 2026

Agenda

Zonar Zagreb, Trg Krešimira Čosića 9
10000 Zagreb | Croatia

HIT – Intervention logic, Capitalisation & Synergies, Budget

27-28 October 2026

Zagreb | Croatia

Outlines

Building on the discussions held during the three online events in September, this two-day in-person meeting will provide an opportunity to continue, deepen and consolidate the work on the respective HIT fields. The meeting will focus on the HIT Intervention Logic, Capitalisation & Synergies and HIT Budget, with particular attention to how these elements can be translated into practical and harmonised approaches for programmes.

The meeting will combine short introductions with interactive discussions, feedback and joint reflection, allowing participants to work directly on the HIT proposals developed so far.

The first day will start with the HIT Intervention Logic. The discussion will move from the conceptual framework to its practical application, looking at how the Intervention Logic is reflected in the HIT application form and considering the feedback received through the questionnaire.

The afternoon will broaden the discussion to Capitalisation & Synergies, focusing on how these elements should be reflected in the application form. Participants will review the proposed approach, provide feedback and discuss the questionnaire results and any remaining issues requiring further clarification.

The second day will turn to the HIT Budget. The budget sessions will introduce the proposed way of reflecting budget-related information in the application form and provide time for discussion, feedback and consideration of the questionnaire responses.

The event will close with a joint exercise of using an Interreg project from 2021-2027 to see how the already discussed parts of the application form can be applied with a real-life example.

Objectives

The meeting aims to consolidate and further develop the HIT approach, building on the previous online discussions and participant feedback. It will support a common understanding and practical application of HIT Intervention Logic, Capitalisation & Synergies and HIT Budget, including how these elements are reflected in the HIT application form.

HIT – Intervention logic, Capitalisation & Synergies, Budget

27-28 October 2026

Zagreb | Croatia

Day One

Tuesday, 27 October 2026

08.30 – 09.00

Registration and Welcome Coffee / Tea

09.00 – 09.30

Introduction & State of play

Interact

- Why these topics now, and what brings them together

09.30 – 12.30

**(incl. coffee
break)**

HIT-Intervention Logic – Application Form

Daniela Minichberger & Besiana Ninka, Interact & participants

- Feedback from questionnaire on the proposal for the application form
- Discussion on open points

Objectives of the session: to present how the Intervention Logic is reflected in the application form and discuss the feedback received through the questionnaire.

12.30 – 13.30

Lunch break

13.30 – 14.00

HIT Intervention Logic – Application Form (cont.)

Daniela Minichberger & Besiana Ninka, Interact & participants

- Feedback from questionnaire on the proposal for the application form
- Discussion on open points

Objectives of the session: to present how the Intervention Logic is reflected in the application form and discuss the feedback received through the questionnaire

14.00 – 17.00

**(incl. coffee
break)**

HIT Capitalisation & Synergies – Application Form

Nicolas Garnier, Interact & participants

- Introduction to application form proposal
- Discussion & feedback

Objectives of the session: to present how Capitalisation & Synergies are reflected in the application form and discuss the feedback received through the questionnaire.

HIT – Intervention logic, Capitalisation & Synergies, Budget

27-28 October 2026

Zagreb | Croatia

Day Two

Tuesday, 28 October 2026

09.00 – 09.15

Recap day 1 & good morning

09.15 – 12.30
(incl. coffee
break)

HIT Budget – Application Form

Katja Ecke, Interact & participants

- Introduction to the (updated) application form proposal
- Discussion & feedback

Objectives of the session: to present how the budget is reflected in the application form and discuss the feedback received through the questionnaire.

12.30 – 13.30

Lunch break

13.30 – 17:00
(incl. coffee
break)

HIT Intervention Logic + Capitalisation & Synergies + Budget P-BA, working with the application form and an example

Interact & participants

- Workshop style in smaller groups
- Discussion & feedback

Objectives of the session: to use a (real-life) project example from 2021-2027 with the (so far) agreed application form for intervention logic, synergies & capitalisation and budget P-BA.

Practicalities

Participants are responsible for their own travel and accommodation arrangements.

Venue

Zonar Zagreb, Trg Krešimira Čosića 9, 10000 Zagreb | Croatia, Phone: +385 52 808 400

Email: hello@maistra.hr

The meeting will take place at Zonar Zagreb. The hotel is located approximately 1.5 km from the city centre, 3.1 km from Zagreb Main Railway Station and around 18 km from Zagreb Airport. The nearest tram stop is approximately 800 metres from the hotel.

UPDATE: You can book your hotel rooms in Zagreb using the following link and the promo code "INTERACT"

HIT – Intervention logic, Capitalisation & Synergies, Budget

27-28 October 2026

Zagreb | Croatia

Travel

Zagreb is easily accessible by plane and is also well connected by international rail and coach services. International train connections include, among others, services to and from Ljubljana, Vienna and Budapest.

By plane

Franjo Tuđman Airport Zagreb is located approximately 18 km from the meeting venue. There are two main public transport options between the airport and the city: The Pleso Prijevoz airport shuttle operates between Zagreb Airport and the Zagreb Central Bus Station. The journey takes approximately 35–40 minutes. Alternatively, ZET bus line 290 connects the airport with Kvaternikov trg and Velika Gorica; the journey between the airport and Zagreb takes approximately 45–50 minutes.

For current timetables, we recommend checking the official airport and public transport websites shortly before travelling.

[ZET – Zagreb public transport](#)

By train

Zagreb Main Railway Station (Zagreb Glavni kolodvor) has national and international rail connections. From the Main Railway Station, tram line 9 in the direction of Ljubljana connects directly to Trešnjevački trg. From Trešnjevački trg, the meeting venue is approximately a 10-minute walk. Tram line 9 currently serves both Glavni kolodvor and Trešnjevački trg.

Accommodation

Participants are kindly asked to arrange and book their accommodation individually. As the meeting will take place at Zonar Zagreb, participants may wish to stay directly at the meeting venue.

Other Information

Should you have any questions or need any further information, please feel free to contact:

Katja.ecke@interact.eu, Daniela.minichberger@interact.eu, or Nicolas.garnier@interact.eu

We are looking forward to meeting you in Zagreb!
