Navigating Project Closure

18 November 2026
Online

Draft Agenda

09.30 – 9.50 **Welcome and introduction**

09.50 – 10.45 **Making project results last – starting early**
How can programmes help projects think about durability from the start rather than only at closure? In small groups, participants will exchange practical approaches, messages and tools used throughout the project lifecycle to help project results last beyond project funding.

10.45 – 10.55 **Comfort break**

10.55 – 11.55 **Project closure in practice – experiences from Interreg programmes**
Representatives from two Interreg programmes will share their approaches and practical experiences with project closure, durability of results and post-project monitoring. The presentations will be followed by questions and discussion.

Interreg Northern Periphery and Arctic Programme: Michela Schliesser Gaifami (communication manager)
Interreg North-West Europe Programme: Helene Schabasser (development officer) and Maria Domzal (senior risk management and evaluation officer)

11.55 – 12.10 **Closing and next steps**
